CENTER FOR BORDERLINE PERSONALITY AND EMOTIONAL DISORDERS

Menninger

AUSTEN RIGGS CENTER

Saturday, April 5, 2014

7:00am-7:40am Registration and Continental Breakfast

7:40am-8:00am **Mary C. Zanarini, EdD**
President, NASSPD
Professor of Psychology, Harvard Medical School

Perry Hoffman, PhD
President, NEA-BPD
Opening remarks

8:00am-9:00am **Anthony Bateman, MD**
Master Clinician
Consultant Psychiatrist, Barnet, Enfield and Haringey Mental Health NHS
Trust and Visiting Professor, University College London
“Mentalization-based Treatment for Suicidal Impulses in Patients with BPD”

Childhood Adversity & BPD

9:00am-9:20am **Kim Gratz, PhD**
Associate Professor, University of Mississippi Medical Center
“Maternal Borderline Personality Pathology and Emotion Socialization: The Roles of Maternal Emotion Regulation and Infant Temperament”

9:20am-9:40am **Maria Elena Ridolfi, MD**
Fano Department of Mental Health
“Experiences of Childhood Malevolence Reported by Borderline Patients and Axis II Comparison Subjects”

9:40am-10:00am **Maureen Zalewski, PhD**
Assistant Professor of Psychology, University of Oregon
“Borderline Personality Disorder in the Context of the Parent-Child Relationship: Addressing the Gap in Basic and Applied Research”

10:00am-10:20am **Break**

Psychotherapeutic Approaches I

10:20am-10:40am **Joel Paris, MD**
Professor of Psychiatry, McGill University

“Treatment for BPD: Integrated and Relatively Brief”

10:40am-11:00am **J. Christopher Perry, MD**

Professor of Psychiatry, McGill University

“The Rate of Improvement in Long-Term Dynamic Psychotherapy for Borderline Personality Disorder”

11:00am-11:20am **Shannon Sauer-Zavala, PhD**

Research Assistant Professor, Center for Anxiety and Related Disorders, Boston University

“The Unified Protocol for the Treatment of Borderline Personality Disorder with Comorbid Mood and Anxiety Disorders: Preliminary Data”

Relationship with Mood Disorders

11:20am-11:40pm **Mark Zimmerman, MD**

Professor of Psychiatry & Human Behavior, Brown University

“How has Bipolar Disorder Won the Public Relations Battle over Borderline Personality Disorder, and What can be Done About it?”

11:40pm-12:00pm **Katherine Dixon-Gordon, PhD**

Postdoctoral Fellow, University of Mississippi Medical Center

“Characterizing Emotional Dysfunction in Borderline Personality Disorder, Major Depression, and their Co-occurrence”

12:00pm-1:00pm **Lunch Break**

Neurobiology I

1:00pm-1:20pm **Antonia New, MD**

Professor of Psychiatry, Icahn School of Medicine at Mount Sinai

“Candidate Genes for Aggression and Attachment Difficulties in Personality Disorders”

1:20pm-1:40pm **Joseph Beeney, MS**

Doctoral Candidate, Pennsylvania State University

“An fMRI Study of Self and Other Processing in Borderline Personality Disorder”

1:40pm – 2:00pm **Eric Fertuck, PhD**

Associate Professor of Psychology, The City College and Graduate Center of CUNY

“The Neural Dynamics of Trust and Social Exclusion in Borderline Personality Disorder”

BPD Symptomatology

2:00pm-2:15pm **Alexander Spradlin, BA**

Doctoral Candidate, Washington State University

“Associations Between Borderline Personality Disorder Features and Empathy”

2:15pm-2:30pm

Esen Karan, MSc

Doctoral Candidate, City University of New York

“Shame: The Missing Factor in Conceptualizing and Treating Borderline Personality Disorder. The 16-Year Course of Shame and its Risk Factors in Borderline Patients”

2:30pm-2:45pm

Michelle Wedig, PhD

Instructor in Psychology, Harvard Medical School

“Impulsive Actions Reported by Borderline Patients and Axis II Comparison Subjects: A 16-Year Prospective Follow-Up Study”

2:45pm-3:00pm

Anthony C. Ruocco, PhD

Assistant Professor, University of Toronto

“Assessment of Functional Limitations in Borderline Personality Disorder Using the World Health Organization Disability Assessment Schedule 2.0”

3:00pm-3:20pm

Break

Personality Trait Measurement I

3:20pm-3:40pm

Robert Krueger, PhD

Hathaway Distinguished Professor & CSPR Area Director, University of Minnesota

“The Personality Inventory form DSM-5: Recent Findings”

3:40pm-4:00pm

Lee Anna Clark, PhD

William J. and Dorothy K. O’Neill Professor of Psychology, University of Notre Dame

“Interview-rated DSM-5-III Alternative-model Traits Reflect DSM-IV/5, Section II Personality Disorder Diagnoses with High Fidelity”

4:00pm-4:20pm

Michael Roche, MS

Doctoral Candidate, Pennsylvania State University

“Borderline and Narcissistic Pathology Predicts the Severity and Stability of DSM-5 Section III Personality Dysfunction: A 14-day Diary Approach”

Narcissistic Personality Disorder

4:20pm-4:40pm

Elsa F. Ronningstam, PhD

Associate Clinical Professor of Psychology, Harvard Medical School

“Developmental Perspective on Narcissistic Personality Disorder”

4:40pm-5:00pm

Igor Weinberg, PhD

Instructor in Psychology, Harvard Medical School

“Do’s and Don’ts in Treatment of NPD Patients”

- 5:00pm-6:30pm **Cocktail Party**
5:30pm-6:30pm **Poster Session**
6:30pm-8:30pm **Banquet**

Sunday, April 6, 2014

- 7:00am-8:00am **Continental Breakfast**
8:00am-9:00am **Master Clinician**
Paul Links, MD
Chief of Psychiatry, Schulich School of Medicine and Dentistry, Western Ontario University
“General/Good Psychiatric Management”

Adolescent BPD

- 9:00am-9:20am **Stephanie Stepp, PhD**
Assistant Professor of Psychiatry and Psychology, University of Pittsburgh School of Medicine
“Heightened Negative Emotional Reactivity as a Marker of Stress Sensitivity in the Development of Borderline Personality Disorder Symptoms”
- 9:20am-9:40am **Carla Sharp, PhD**
Associate Professor of Psychology, University of Houston
“Locating Adolescent BPD within the Internalizing-Externalizing Spectrum”
- 9:40am-10:00am **Lori Scott, PhD**
Assistant Professor of Psychiatry, University of Pittsburgh
“Covariation of Shame and Anger-Related Emotions in Adolescent Girls with Borderline Personality Disorder Symptoms”
- 10:00am-10:20am **Break**

Personality Trait Measurement II

- 10:20am-10:40am **John Oldham, MD, MS**
Senior Vice President and Chief of Staff, The Menninger Clinic & Professor and Executive Vice Chair of the Menninaer Department of Psychiatry and Behavioral

Sciences, Baylor College of Medicine

““The Alternative Model for Personality Disorders in DSM-5”

10:40am-11:00am **Aidan G.C. Wright, PhD**

Assistant Professor of Psychology, University of Pittsburgh

“A Naturalistic Study of Daily Fluctuations in Personality Disorder Symptoms”

BPD Medication Approaches

11:00am-11:20am **Donald Black, MD**

Professor of Psychiatry, University of Iowa Carver College of Medicine

“A Double-Blind Placebo Controlled Trial of Quetiapine XR in the Treatment of Borderline Personality Disorder”

11:20am-11:40am **Eduardo Martinho, MD**

Assistant Professor of Psychiatry, University of Sao Paulo Medical School, Sao Paulo, Brazil/McLean Hospital

“PRN (As-Needed) Psychotropic Medication Use in Borderline Patients and Other Personality-Disordered Subjects Over 14 Years of Prospective Follow-up”

11:40pm-12:00pm **Kenneth Silk, MD**

Professor of Psychiatry, University of Michigan

“Avoiding Polypharmacy in the Psychopharmacological Treatment of Patients with Personality Disorders”

12:00pm-1:00pm **Lunch Break**

Neurobiology II

1:00pm-1:20pm **Harold Koenigsberg, MD**

Professor of Psychiatry, Icahn School of Medicine at Mount Sinai

“Affective Instability in Personality Disorder Patients is Inversely Correlated with Anterior Cingulate Activity during Habituation to Negative Stimuli”

1:20pm-1:40pm **M. Mercedes Perez-Rodriguez, MD, PhD**

Fellow in Psychiatry, Icahn School of Medicine at Mount Sinai

“Brain-Derived Neurotrophic Factor and Amygdala Habituation in Borderline Personality Disorder”

1:40pm-2:00pm **Erin Hazlett, PhD**

Research Professor of Psychiatry, Icahn School of Medicine at Mount Sinai & James J. Peters VA Medical Center

“Borderline Traits and Affective Startle Amplitude During Unpleasant Picture Processing Predict Severity of Suicidal Behavior”

Psychotherapeutic Approaches II

2:00pm-2:20pm **Eric Plakun, MD**

Director of Admissions and Professional Relations, Austen Riggs Center

“Three False Assumptions of Contemporary Psychiatry and the Price We Pay for Them”

2:20pm-2:40pm

Marianne Goodman, MD

Professor of Psychiatry, Icahn School of Medicine at Mount Sinai & James J. Peters VA Medical Center

“Randomized Clinical Trial of Dialectical Behavioral Therapy for High Risk Suicidal Veterans with and without Borderline Personality Disorder”

2:40pm-3:00pm

Nancee Blum, MSW

Social Work Specialist & Adjunct Clinical Faculty, University of Iowa Carver College of Medicine

“Implementing STEPPS in Correctional Settings (*Systems Training for Emotional Predictability & Problem Solving)”*

3:00pm-3:20pm

Break

Personality Trait Measurement III

3:20pm-3:40pm

Leonard Simms, PhD

Associate Professor of Psychology, Clinical Area Head & Director of Clinical Training, University of Iowa

“The CAT-PD Project: Introducing an Integrative Model & Efficient Measure of Personality Disorder Traits”

3:40pm-4:00pm

William Ellison, PHD

Postdoctoral Fellow, Alpert Medical School of Brown University

“A Person-Specific Approach to Modeling Ecological Momentary Assessment Data in Borderline Personality Disorder”

Psychotherapeutic Approaches III

4:00pm-4:20pm

Valerie Porr, MA

President, Treatment and Research Advancements National Association for Personality Disorder

“Collaborating for Change: The TARA Method: Improving Borderline Personality Disorder Functioning and Outcomes With Family and Consumer Psychoeducation”

4:20pm-4:40pm

Theresa Morgan, PhD

Staff Psychologist, Rhode Island Hospital & Post-Doctoral Fellow, Alpert Medical School of Brown University

“Rapid Effectiveness of an Acceptance and Mindfulness-based Partial Hospital Program in Depressed Patients with Borderline Personality Disorder”

4:40pm-5:00pm

Michel Mennesson, MD

Psychiatrist, Manson Youth Institute, University of Connecticut School of Medicine

“Split-Second Decision Group: A Focused Group Intervention with Covert Curriculum for Incarcerated Young Violent Males with ASPD/CD”
